

CompTIA A+® Certification

"Measurement over the years has shown us that new hires with CompTIA A+ certification become more productive faster than those who have not earned this certification. We look for people who have trained responsively, mastered the material and earned the certification."

- Dave Smith, Vice President of Technical Services
CompuCom Systems, Inc.

CompTIA A+ 220-901 and 220-902 validate the latest skills needed by today's computer support professionals. It is an international, vendor-neutral certification recognized by major hardware and software vendors, distributors and resellers. CompTIA A+ confirms a technician's ability to perform tasks such as installation, configuration, diagnosing, preventive maintenance and basic networking.

CompTIA A+ 220-901 covers PC hardware and peripherals, mobile device hardware, networking and troubleshooting hardware and network connectivity issues. CompTIA A+ 220-902 covers installing and configuring operating systems including Windows, iOS, Android, Apple OS X and Linux. It also addresses security, the fundamentals of cloud computing and operational procedures.

Certification Exams

The latest version of CompTIA A+ is the 2016 Edition. Two exams are necessary to be certified:

Exam Code: CompTIA A+ 220-901 and 220-902 measure the necessary competencies of an entry-level IT professional with at least 500 hours of hands-on experience in the lab or field. It tests for the fundamentals of computer technology, networking and security, as well as the communication skills and professionalism now required of all entry-level IT professionals.

UCCI is proud to host Pearson VUE, Prometric, and Certiport Testing Centers.

If you wish to take an exam through the UCCI Pearson VUE, Prometric or Certiport testing centre, you must make all bookings and payments through VUE/Prometric/Certiport directly. UCCI does not offer services to arrange or schedule any testing for candidates. All arrangements and exam costs are solely the candidate's responsibility.

Seats are limited, please register early. Registration Deadline: January 23, 2017 @ 5 PM
